

Apple Solutions

As an Authorized Apple Value Added Reseller, Nova Networks is pleased to offer our clientele the full range of Apple computers, servers, peripherals and software at competitive prices.

Nova Networks can seamlessly integrate Apple Products into your existing business network.

Our Authorized Parts and Service Centre has a dedicated staff of experienced technicians ready to provide support to even the largest of Apple-based networks.

We can provide additional Apple related services such as:

- Network cabling, Routing, Ethernet, Fiber and Wireless.
- Pre-Press/Colour Calibration
- Rack Mounting Integration for G3s and G4s
- Security and Storage – SAN/NAS
- Digital Photo/Digital Video Production Specialization

Leasing:

Apple's Latest Industry Leading Innovations:

The Apple PowerBook G4

Just 1 inch thick and weighing a mere 5.3 pounds, the **PowerBook G4** is a heavyweight in an ultralight body. It is the world's first notebook computer made of 99.5% pure grade CP1 (commercially pure) titanium.

The Apple Power Mac G4

Loaded with features that give you the power to make desktop movies, create your own music CDs and even author DVD titles, the **Power Mac G4** is the most evolved supercomputer on the planet.
